Double Shutter Photography

(405) 812--2766

Photography has always been a passion in my life. It started when I was very young, shooting with my first 110 camera and continues today as my chosen career. I decided to pursue professional training by attending *Oklahoma School of Photography*. In 2005, I graduated with honors for superior attendance and maintaining an "A" average. My training included theory and practical hands-on experience in a wide variety of photographic techniques that incorporated both traditional film and digital media.

While attending *Oklahoma School of Photography* I met my business partner Michael Smithey and together we established *Double Shutter Photography*. Our services include but are not limited to; weddings, events, portrait and commercial photography in studio or on location. Michael and I each have our own unique perspectives, our styles compliment each other. Every image is creative and potrays our customers desires, making us the ideal team for your next occasion.

Double Shutter Photography is located at 118 1/2 W. Main in Shawnee and is available by appointment for bookings throughout the Oklahoma City metro area.
